

# Vote JESS KEATING for FreshCom

I'm a geographer so can guide the freshers wherever they need to be

Great at dealing with enquiries. Ran Reception Office at interviews - I may recognize some of the new freshers!

Having so much fun at the Warehouse (RIP) paint party

Look - me and a camera. Get hyped for coverage of Freshers' Week 2k16

### Why am I suitable?

- Have experience of being on the **Freshers' Week Committee 2015**. Nobody else running has this. Having a committee with a spread of year groups is great to kickstart the inter-year relations that Jesus prides itself on
- I engage in a **mix of social activities**, including going on nights' out and taking a more of a relaxed approach to college/social life
- I <3 Wahoo but am not prejudiced against other club nights
- **Friendly** and approachable
- Used to meeting new people and students through being **Access Rep**
- Can provide great photographic coverage of the college events
