

#GREEN4FRESHCOM

Why I would be good:

- **Friendly** – but not in a creepy way
- **Welcoming** – will look more stupid than the freshers so they will not be embarrassed
- **Engaged with college life** – will pressure freshers into going on the ski trip
- **Safe** – have never got off with another JCR member so freshers will have nothing to fear (unless they are Danish)
- **Experienced** – I have two freshers' weeks under my belt
- **Green** – E and E themed freshers week anyone...?

Experience:

- **JCR Committee** – have organised bops and other social events
- **Sexual consent workshops** – I have committed to sexual consent training
- **Chapel Clerk** – working as part of a team
- **Headboy at secondary school** – it's still relevant!
- **Cave manager** – speaks for itself
